## EXPERIENCE

**Intern**, 06/2024 - 07/2024

**Prodigy InfoTech**, Guntur, India

- **Frontend Developer:** With hands-on experience in creating a responsive landing page, developing a personal portfolio website, and designing a weather application, I have honed my skills in HTML, CSS, and JavaScript for crafting visually appealing and user-friendly interfaces.
- **Web Application Developer:** Through projects such as building a Tic-Tac-Toe game, a stopwatch web application, and a weather application, I have demonstrated proficiency in developing interactive web applications using JavaScript, React, and other relevant frameworks or libraries.
- **UI/UX Designer:** My involvement in designing the user experience and interface for the landing page, personal portfolio website, and various web applications showcases my expertise in UI/UX design. I prioritize creating designs that are not only visually attractive but also highly intuitive and user-centric.
- **Full Stack Developer:** Having contributed to both frontend tasks (e.g., landing page, portfolio website) and backend development (e.g., Tic-Tac-Toe game, weather application), I am well-versed in full-stack development, covering both client-side and server-side aspects of web development to deliver comprehensive solutions.
